

Kidz Ministry Group Leader Branches Church

Partners with existing leaders to help with & participate in our Kidz Ministry
Approximately 3-5 hours per week | \$16 per hour

Who We Intend to Be as a Church:

We embrace people regardless of their background or present ground in the hope they reach Holy Ground. We want to see a new life in us, our friends, and in people who have never had a faith or have been hurt by the church. We want to be a people of welcome and laughter, of faith and hope and love, friends and family, justice and changed lives. We can't change people's lives, but we know that Jesus can. We want to be a people where the homeless know they can find food, the broken can find healing, and the rejected feel at home. We want to be a church where one group is working to care for local drug addicts and another is training international teachers. We know that no church is like this all the time, including us. But we intend to be like this most of the time. He is the Vine; we are His Branches.

Our Vision for our Kidz Ministry:

Branches is a different kind of church. We are a "church for people who don't go to church." We want to provide the highest level of care for our youngest members. This means we need to create a safe, consistent, and organized environment where our kids can grow in relationship with each other and with God.

The Job:

We need a natural leader that will come alongside us and take initiative to connect with our kids and our families. We need someone who will take pride and ownership over their dedicated ministry space on Sunday mornings. We are looking for someone who knows the love of Jesus and is following Him the best they know how.

- You will work directly with our Family Pastor to execute a warm, welcoming, and safe classroom experience for our children and families.
- Help review and distribute weekly curriculum and supplies.
- Pass a background check; attend and engage in training.
- Help with Sunday set up and clean up.
- Work with our children and alongside volunteers during our Sunday service as scheduled.
 - Overseeing Check-In & Check-Out (when scheduled)
 - Supporting the classroom teacher and/or teaching the class lesson
- Work w/Family Pastor to create opportunities for our Kidz Ministry to connect outside of Sunday mornings. Includes coordinating invites, locations, & supplies.
- Attend summer camps as a leader (if your designated age group is attending).
